Dear Clerk

4-4-25

Hello my name is Jose Antonio Saldana.

Currently I'm an inmate at the Yakima County Jail, the reason I am writing to you is because I just lost trial in the Federal Courts, and I want to know can you provide me information on the federal rules to appeal or request a new trial.

It is my understanding once a trial is lost an appeal motion is time sensitive. How many days or weeks does one have by law to appeal a guilty verdict? I am aware that in State law a person has to motion appeal like within 14 days from the Verdict.

So if there anything you can help me with regarding this subject I will Sencercally appricate it

respectfully  
Jose A. Saldana
